

## TRU School of Business and Economics / NVIT

### Course Equivalencies

#### Transfer Credit Policy

- Complete at least 120 credits with a minimum of 60 credits as TRU credit. Students must also complete a minimum of 36 business credits as TRU credit. More than 120 credits may have to be taken to meet these requirements.
- Transfer credit will be determined on a course-by-course basis. Equivalent courses taken at approved two-year colleges will be awarded credit for lower level courses only. Upper level credit will be granted if a course is taken at an acceptable university. Normally, a course must be at least 80 percent equivalent to receive credit.
- Students must have a grade of C- or higher to receive transfer credit – non-graded (Pass/Fail, Complete) or university preparation credits will not be accepted. Transferred courses are awarded credit only and are not included in the CGPA.
- Other courses not listed in this chart may be assessed for equivalency.

	<b>TRU BBA Lower Level Courses</b>	<b>Equivalent NVIT Courses</b>
1.	MNGT 1710-3 – Introduction to Business	ADMN 121-3 Introduction to Management

23.	General Education – Social Sciences (3 Credits)	

Transfer students who decide to pursue the Accounting Major in the BBA may substitute other TRU upper-level business or economics courses for the upper-level accounting courses listed below.

ACCT 3200-3 Intermediate Financial Accounting 1
ACCT 3210-3 Intermediate Financial Accounting 2
ACCT 3220-3 Income Taxation 1
ACCT 3230-3 Income Taxation 2
ACCT 3250-3 Intermediate Management Accounting

To be allowed to do so, students must have taken an equivalent college-level course at another institution as determined by the CPA PREP program. Students who substitute other upper-level business or economics courses are still deemed to have met the requirements of the Accounting Major.
