

Student Academic Appeal Form

805 TRU Way
Kamloops BC V2C 0C8
tru.ca

Thompson Rivers University (TRU) recognizes that although most students experience no concerns regarding their education, some students occasionally experience challenges with how academic outcomes have been assessed. TRU encourages students and instructors to resolve academic issues through discussion at the course, department, and/or faculty level. When resolution cannot be reached, students may proceed with an academic appeal. This formal review process concludes with a decision that is final and binding upon all parties. See Senate policy [ED 4-0](#) - Student Academic Appeals for full policy details.
